

WELCOME TO VOT

About Us – VOT (Value Of Time)

In today's digital world, people spend a large part of their day on social media—scrolling reels, browsing Facebook, and using various apps. While screen time is increasing rapidly, much of it goes unproductive.

At **VOT (Value Of Time)**, we believe your time is valuable and priceless. Instead of just scrolling, we provide you with an opportunity to **convert your time into money**.

We offer a simple and accessible way to earn through your mobile using social media platforms. Since advertisements are shown where users spend their attention, we help you benefit from your viewing time.
